To Whom It May Concern:

Mr. Keith Moore was the karate instructor for my three children. One son moved on to other activities but my daughter was Mr. Moore's student for five years. She just received her junior black belt which is the direct result of Mr. Moore's tutelage. My other son chose not to continue his karate training but stayed with Mr. Moore to learn batto-do (Japanese sword). During this time I have observed countless classes, seminars and tournaments where Mr. Moore taught or judged. In my opinion, Mr. Moore has a wonderful attitude and deals with the students as individuals. These qualities result in the students thoroughly enjoying the classes and learning karate from an accomplished black belt.

Not only does Mr. Moore have the ability to motivate the students, he is knowledgeable about karate and its history, weapons training and sword. I highly recommend Mr. Moore as a karate instructor. My children still wish he'd move back to the Syracuse area. If you have any questions I can be reached at 315-466-7161 during the work day or 315-677-9072 at home.

Very truly yours,
